MUSTER ROLLS

OF

NEW YORK PROVINCIAL TROOPS.

1755–1764.

INTRODUCTION.

THIS volume contains the Muster Rolls of the various regiments and smaller organizations of troops raised and put in the field by the province of New York, which served during the Seven Years' War in America, or, as it was later called, "The Old French War"—the war which terminated forever the power of France in the New World.

They cover the whole period of that war from 1755 to 1763, except those for 1757, which have disappeared from the archives of the State of New York at Albany, where all the others are preserved as originally filed in the office of the Provincial Secretary of the Colony of New York. From them the copies used in printing this volume were most carefully made by the eminent New York archivists and historians, the late Dr. Edmund B. O'Callaghan and Mr. Berthold Fernow. The former, so well known as the historian of New Netherland, and editor of the invaluable collection of the "Colonial Documents of New York," in eleven quarto volumes, and other works, upwards of thirty-five years ago copied personally nearly two-thirds of these Muster Rolls, intending to use them in a work of his own, an intention subsequently abandoned. After his death in 1870, his widow, to whom he devised and bequeathed all his property, among others of his manuscripts gave these copies to the New York Historical Society. Subsequently the Society determined to complete the transcription of the Muster Rolls, with a view to their future publication in its "Collections," and entrusted the work to Mr. Berthold Fernow, well known for his own accurate and continued labors in the field of New York history. The Rolls have been copied by both these gentlemen exactly as they were written and filed, such being the only true rule to be observed in transcribing for the press historical documents of this nature.

The numbers and designations of the companies, the names of the privates and officers, the mention of individual size, age, personal appearance, nativity, localities where enlisted, with the dates of enlistment, and similar details given in these Muster Rolls, are a mine of a kind of information which is now of very great value and importance. This is owing to the great interest and attention which of late years

have been given to the colonial history of America in general, and of New York in particular.

As illustrative of these Muster Rolls, and of the efforts of the province of New York in the Seven Years' War in America, there has been added an appendix of documents and papers compiled from the archives of the State at Albany and the library of the Society. These show the action of the Governors of the province, the colonial legislature and other provincial authorities, not only in relation to their own troops, but to the carrying on of the war generally by the people of the province of New York, its legislature, and its Governors.

These documents and papers contain a mass of information of much value, and not easily accessible heretofore to the historical inquirer. They are as follows:

1. A list of all the acts of the legislature of the province —seventeen in number—under which the various regiments and smaller bodies of troops were raised, equipped, paid, and subsisted. This gives the year and day of the month in which each act was passed, thus enabling them to be consulted in any one of the volumes of the colonial statutes of New York, ancient or modern.

2. The official orders, directions, and proclamations of Governors James De Lancey, Sir Charles Hardy, and Cadwallader Colden during the war, relative to the troops, the regiments, their officers, their movements, their destinations, and the events of the campaigns; in short, an official history of the direction of the war in New York, of which little has been before known. Interspersed in these documents are a few excerpts from newspapers of the day, called forth by their issue or by specific incidents of the war.

3. Lists of commissioned officers as far as they could be obtained from the records, and lists of names of non-commissioned officers and privates, found in the commissariat accounts of the Commissaries, John Cruger, Beverley Robinson, and Peter van Brugh Livingston, who formed a joint commission. From the same accounts, lists of the names of deceased soldiers from 1756 to 1762 whose heirs received the pay due them at the time of their death.

4. Lists of deserters, and notices and advertisements in relation to deserters during the war.

5. Lists of commissions signed by the Governors.

6. A book of military appointments and other military information in 1759, 1760, and 1761, kept by John Godby, a clerk in the office of the Secretary of the province, in the performance of his official duties.

7. Lists of the commissions issued for the provincial regiments, dated April 6, 1761, and October 8, 1761.

8. List of warrants issued to captains for bounty and enlistment monies, with the amount of each warrant in New York currency.

This volume of Muster Rolls and accompanying documents and papers is an important contribution to the true history of the province of New York in the middle of the last century.

Its general Index, the careful work of Mr. William Kelby, the Librarian of the Society, gives the name of every officer and private in the Rolls and Lists.

Whereas the Assembly of the Colony of New York hath resolved to raise and subsist eight compleat companies of one hundred effective men each, officers included, to assist, in conjunction with the neighbouring Colonies, in the service of the intended expedition to prevent the encroachments of the French at Crown Point, and desired the Governor of that Colony to make application to this government for raising five compleat companies of one hundred effective men each, officers included, in this Colony for that service, and he hath accordingly commissioned and sent Oliver De Lancey, Esq. to make such application, who hath represented the difficulty of raising men in that Colony, and that there is great danger the number that Colony hath proposed cannot be speedily raised there, whereby the whole affair may be greatly retarded: This Assembly considering the importance of said expedition for his Majesty's interest, and the necessity that it be carried on without loss of time, although a very large proportion of men hath been already raised in this Colony and are now almost ready to march, and it may be attended with great difficulty to raise so many more men here; yet for preventing any delay that may otherwise happen, and for promoting and forwarding said design for his Majesty's interest, for which this Colony is deeply concerned.

6 May Mr. Godby delivered the order to Col. Thomas Hicks of Queens County to his son, as also the order to the recruiting officers in that County.

7 May I delivered Col. Stilwell's of King's County his order to detach from the militia a Major Leckny, who said he would give it to Capt. Brewerton, who was going into King's County.

8th May Mr. [John] Godby delivered the order Col. Floyd of Suffolk County etc. to Mr. Bryant.

13 May Delivered to Capt. James Horton an order to Col. William Willet of Westchester Regiment to detach 16 men to complete the Quota of that County. He had orders to direct his Lieut. to furnish the Col. with the Returns of the Number of Men inlisted.

Whereas of the thirty seven Men raised in King's County for the

Expedition against Crown Point only twenty three have been approved as fit for service. You are therefore, in pursuance of an Act passed on the fourth Day of May Instant entitled "An Act for the more speedy and effectual raising the Forces to be furnished by this Colony on the Expedition against Crown Point" a copy whereof is herewith sent, forthwith to detach from the Militia under your Command fourteen able bodied and effective Men to complete the Quota to be furnished by Kings County for the service aforesaid. Which Detachment you, are to order to this City under the Command of a proper officer who is to have the Men mustered by the Commissaries here and to see them embarked for Albany in the Vessel which the Commissaries will provide for that purpose.

Given under my hand at Fort George in the City of New York the Seventeenth day of May 1756. CHAS. HARDY.

To Richard Stillwel Esqr. Colonel or in his absence to the next Commanding officer of the Regiment of Militia for Kings County.

New York 17 June 1756.

His Excellency hath directed me to inclose you Commissions for Captains McGinnis, Lotteridge, and Schuyler with blank Commissions for their Lieutenants and two blank Commissions for Captain Joseph Johnson's Company, and to desire you'l be pleased to fill them up with the names of such Person as you approve of. As Captain McGinnis had the Rank of Captain last year his Commission is dated the same day with Thodey's to whom he is now next in rank. Captain Lotteridge as being an older Lieutenant than Schuyler is dated before Schuyler's, and Schuyler's before Johnson's. As the Governor chose to give the Preference to the officers of our own Province, I was obliged to date Capt. Schuyler's the 15th April tho I suppose he had not then received his warrant but there will be no Inconvenience in this as the Captains and Lieutenants are to be paid from the date of the warrants and not their Commissions. In the Roll of officers I now inclose, the dates of all the Warrants I could come to the knowledge of are inserted. Col. Fitch's Commission is dated 2d April, tho' he was told by the Governor not to expect pay from the day he engaged in the service of this Province (which was the 5th May) should the Assembly have no objection to his being paid from 2d April, I believe Sir Charles will have none. Lieut. Col. Glazier's is dated the same day but the Governor thinks he should not be entitled to Pay but from the time the New England Government paid him to. Sir Charles thought it might be some advantage to them in point of Rank and therefore ordered the Commissions to be dated the day after the Act was passed.

As Captain Johnson has only raised 45 Men, His Excellency now writes to the Lieut. Colonels of Albany to add so many Men to that Company as shall be found wanting to complete the 1315 Men, supposing every County to have furnished its full Quota. So

that if McGinnis, Lotteridge and Schuyler's Companies are full, I suppose there will be a necessity of detaching very few.

Mr. Richard Morris asked me the other day if there was any room for a Lieutenant and told me his clerk Captain Brewerton's son about 19 years of age, of whom he gives an exceeding good character, is desirious of engaging in the service, having a view to get among the Regulars hereafter if he can. If you should think it proper to give him a Commission perhaps you may have an opportunity of doing it in Johnson's Company. He is I am told a young fellow of good spirit and does not know how to provide for himself otherwise at present so it would be serving him and it may be the Publick at the same time. I am etc.

To Oliver De Lancey, Esq.

New York 27 August 1756.

Sir: Having received Advice from Albany that the enemy have laid Seige to Oswego and not knowing how far they may endeavour to penetrate in Case of the Loss of that Post, and as it is highly probable the Militia of your County may be soon called upon to March either to the Defence of Albany or other parts of this Province where their assistance may be wanted to repel any attempts of the Enemy, You are to hold your Regiment in readiness to march on the shortest Notice and for this Purpose you are to give immediate Orders for examining into the State of the Men, arms and accoutrements and the quantity of ammunition they are furnished with, and if any should be found unprovided you are to oblige them to furnish themselves as soon as possible with everything the Law requires, and to cause the Penalties of the Law to be vigorously levied on all Delinquents, and in general you are to observe and punctually obey the Orders given you by Lieutenant Governor De Lancey bearing date the Second day of September, 1754, and to the utmost of your power keep up and maintain good order and discipline in the Regiment under your command assuring them that in case they are at any time ordered to march, I will recommend to the Assembly in the strongest manner to make them a reasonable allowance for their services.

Chas. Hardy.

To the Colonel or the next Commanding officer of the Regiment of Militia for Dutchess County.

By His Excellency Sir Charles Hardy, Knight, Captain General and Governor in Chief in and over the Province of New York, and the Territories depending thereon in America, and Vice Admiral of the same.

You are Immediately on receipt hereof to Issue your orders to the Captains or Commanding Officers of two or as many more as you shall think fit and necessary of those Companies that are near-

est in situation to the City of Albany, that they hold their respective Companies in readiness to March, and that on the first Intelligence from the Colonel or Commanding officer of the Regiment of Albany of the approach of an Enemy with an Intention as may be apprehended to attack that City they assemble their said Companies together, and march with the utmost expedition to the City of Albany, taking with them what provisions and Ammunition they can, without waiting for further Directions or Instructions, and that upon their arrival there they put themselves under the Command of the said Colonel or Commanding officer of the Regiment of Albany :

And in case you shall receive advice of the march of a large body of the Enemy to attack Albany, so that a still greater force may be necessary to be sent to the assistance of that place, you are upon the receipt of such intelligence, and application from the said Colonel or Commanding Officer to order your whole Regiment to march thither as fast as possible, either in single Companies or larger Detachment, as they can be soonest got together, and to repair thither yourself with the other Field officers of your Regiment sending the earliest notice of your march to the Colonel or Commanding officer of the second Regiment of Ulster County. And you are to assure the said Captain or other officer to whom you shall give such Directions as aforesaid that I will strongly recommend to the General Assembly to provide for the Expenses which may accrue on this service.

You are also hereby directed and required forthwith to give Orders to the respective Captains of your Regiment to cause their Serjeants to view and inspect the arms of all the Men inlisted in, or belonging to their several Companies, and to see that they be such as by law they ought to be ; and if any of them are not in order and fit for service to cause them forthwith to be mended and made fit for service and to examine into every man's store of ammunition and accoutrements, and see that they constantly keep the quantity of each sort, which by law they are directed to do and wherever they find any men unprovided of all or any part thereof, to cause the several penalties and forfeitures inflicted by law, to be forthwith levied upon all and every of the delinquents without favour affection or partiallity, and this you are to do once in three months and so often as you may judge expedient and Necessary to the end that every one may be constantly prepared against any surprize. And you are to give the like orders to the Troop of Horse.

You are to order the Captains of each Company in your Regiment to Exercise his Company as often as conveniently may be, and at least once in three months, at which time every man's arms, ammunition, and accoutrements, are by him and his subalterns to be carefully examined, and where any of the men are found unprovided, or their arms, ammunition, and accoutrements defective, or in Case any of the men unlawfully refuse or neglect to appear at such exercise, the fines are rigorously to be levyed ; and so likewise of the Troop.

In general you are to the utmost of your power to endeavour that your whole regiment be constantly provided with everything necessary to march at a minute's warning, and to be trained to military Discipline as far as may be that in case of any sudden attempt, they may be able to Guard against a Surprize.

Given under my Hand at Fort George in New York the Twenty-seventh day of August, 1756.

CHAS. HARDY.

To JOHANNES HARDENBERGH, Esqr. Colonel, or in his absence to the next Commanding officer of the first Regiment of Militia Foot for the County of Ulster.

New York, 27th September 1756.

Which you will take the proper measures to have made known to all in your Regiment; And you will take Care that the Commanding officer of every Party that shall March on this Service do make sign and deliver to you regular Muster Rolls containing the Names and Rank of every Person on such Duty, the time they entered upon it, and the day of their discharge, which Muster Rolls you are to sign yourself and transmit to me, keeping copies thereof by you signed as aforesaid, that in case the originals be lost recourse may be had to such copies. CHAS. HARDY.

TO ISAAC CORSA ESQ.

Extract of a Letter from a Gentleman at Fort William Henry.

Fort William Henry, July 26, 1757.

Sir: I am sorry that I have nothing better to relate to you than the following melancholy Affair, viz. Col. John Parker, with three of his Captains, and six or seven Subalterns, with Capt. Robert Maginis, Capt. Jonathan Ogden, Lieut. Campbell and Cotes, of the New York Regiment, with about 350 Men, went out on the 21st Instant, in Order to attack the advanced Guard at Ticonderoga by Water, in Whale and Bay Boats: They landed that Night on an Island, and sent before break of Day to the Main Land three Battoes, which the Enemy way-laid and took. These Battoes were to land two Miles this Side; they being taken, gave the Enemy Intelligence of their Design of Landing. Our Men next Morning at Day Break, made for said Point, and the Enemy, who knew our Scheme, contrived as a Decoy, to have three Battoes making for said Point, which our People imagining to be the three Battoes sent out the Evening before, eagerly put to the Land, where about 300 Men lay in Ambush, and from behind the Point came out 40 or 50 Canoes, Whale and Bay Boats, which surrounded them entirely, and cut off every one that was in the Circle. Col. Parker and Capt. Ogden, are the only two Officers that escaped with Life, the Latter much wounded in the Head. Capt. Maginus, and every one in the Boat with him, are Killed; and not one Man left alive that were in the Bay Boats. Capt. Woodward being terribly wounded, jumped overboard, and was drown'd. Capt. Shaw killed; Lieut. Campbell and Cotes of the New York Regiment, they say for certain are Killed; a Captain of the New Jersey Regiment is also Killed, but have not yet learnt his name. Upon the whole, only Parker and Ogden escaped.

Since the foregoing, Col. Glazier has received a Letter from a Serjeant belonging to Capt. Maginis's Company, who says, that in the hottest of the Fire they forced their Battoe thro' the Enemy's Line, being favoured with the Smoak and Fog, and escaped with 6 or 7 more, that were alive with him in the Battoe, and landed on the East Side, where he luckily met with Capt. West from Fort Edward, on a Scout; and as every Man made the best of his Way as soon as they landed, none but himself is yet come in safe.

P. S. What could the Enemy be doing there? They certainly

were going on some great Design, by being there in so large a Body, as judged 1000 Men at least.

Supp. to N. Y. Mercury, Aug. 1, 1757

New York, 6th August, 1757.

Sir: His Honour, the Lieutenant Governor, having signed an order yesterday in consequence of a Letter to him from Major General Webb, giving an account that a large body of the Enemys Forces were moving to attack Fort William Henry. That you should hold in readiness 400 able bodied and effective Men with proper officers of your Regiment to march on the first Notice to Albany under the Command of the Major of your Regiment, and the Council having this day received information by Express from Albany to the Lieutenant Governor that Fort William Henry is actually attacked by considerable army. The Council desires that you will immediately order the said Detachment to be in a Readiness to march at a minute's warning and to see that every Man be duly equipped for the Service. As the Council expects every moment the last orders for the march of the said Detachments from the Lieutenant Governor, they hope you will have them ready to march at the shortest warning.

P. S. By this Express we have an account that Fort William Henry and that Fort Edward was attacked and was taken by the Enemy and therefore it behoves every one at this Critical Conjuncture to do his utmost to save his Country from the Ravages of a Cruel Enemy.

To the Colonel Commanding the Militia of Queens and Suffolk Counties.

New York, 14 August, 1757.

Sir: We received your Honours Letter of the 11th Instant by the post and were pleased to hear that the account you gave us of Fort Edward's being attacked was false and are glad to find that the affair at Fort William Henry was not so bad as was first reported. We have done everything in our power to hasten Succour for Albany, yesterday there went 600 men from this City mostly Volunteers, part of ye Detachment from West Chester under Major Courtlandt went last Friday and the Remainder we suppose are gone by this time. That from Queens County are to embark tomorrow from Newtown Creek upwards of 300 men have passed by from Jersey and we are told by Mr Stevens more are expected to the amount of 1000 in the whole. We hear great numbers are gone and going from New England but have no certain account how many they consist of. We shall continue to do everything in our power for the publick service, and remain your Honours most obdt. Humble Servts. &c.

By the Honourable JAMES DE LANCEY, *Esq ; His Majesty's Lieutenant Governor and Commander in Chief, in and over the Province of* New York, *and the Territories depending thereon in* America.

A PROCLAMATION

FORASMUCH as a great Number of Men who shall inlist, or be engaged in the Forces in the Pay of this Province, will be possessed of good Arms of their own, which it is apprehended they will prefer to those furnished by the Crown, not only from their being much lighter, but as from their being accustomed to them, they will be much surer of their Mark with those, than with Arms they never handled before ; I have thought fit, as an Encouragement to all those who are able to furnish themselves with good Arms, to notify, that, if any such serviceable Arms as they shall bring to the Rendezvous, shall happen to be lost, or receive Damage in actual Service, the General and Commander in Chief of His Majesty's Forces will make them good to the Proprietors, in Money. And as a Powder-Horn, Shot-Bag, with a Case for the Lock of their Gun, to preserve it from the Weather, are thought more proper for the present Service than the common Accoutrements, the Men are also to come provided therewith.

And whereas there may be a Number of the King's Arms, and Arms belonging to this Province, concealed by Deserters, or others ; I do therefore require all His Majesty's Justices of the Peace, and Sheriffs, to make, and cause diligent Search to be made, within their respective Districts, for all such Arms ; and to seize and send the same to the City of *New-York*, to be delivered to *Christopher Blundell*, Store-keeper, at *Fort George*.

Given under my Hand and Seal of Arms, at Fort George, *in the City of* New-York, *the 8th Day of* April, *1758, in the Thirty-first Year of the Reign of our Sovereign Lord* GEORGE *the* Second, *by the Grace of* GOD, *of* Great-Britain, France *and* Ireland, KING, *Defender of the Faith*, and so forth.

JAMES DE LANCEY.

By His Honour's Command,
GW. BANYAR, Depy. Secry.

By the Honourable James De Lancey, *Esq; His Majesty's Lieutenant Governor and Commander in Chief, in and over the Province of* New-York, *and the Territories depending thereon in* America.

A Proclamation.

Whereas His Majesty hath nothing so much at Heart, as to improve the great and important Advantages gained last Campaign, as well as to repair the Disappointment at *Ticonderoga*, and by the most vigorous and extensive Efforts, to avert, by the Blessing of God on His Arms, all Dangers which may threaten *North-America*, from any future Irruptions of the *French*. And whereas this Government being heartily disposed to co-operate with, and second to the utmost, the large Expence and extraordinary Succors supplied by *Great-Britain*, for their Preservation and Defence, hath made ample Provision for raising, paying, and cloathing, Two Thousand Six Hundred and Eighty effective Men, Officers included, to be employed in Conjunction with a Body of His Majesty's *British* Forces, and the Forces of the neighbouring Colonies, for invading *Canada*, and carrying War into the Heart of the Enemy's Possessions; and as an Encouragement to Persons to inlist voluntarily in the said Service, hath granted the Allowances following.

To each able bodied Man, entering voluntarily into the said Service, the Sum of *Fifteen Pounds*, as a Gratuity for their voluntary Inlistment.

To each Officer properly authorized to inlist Men, the Sum of *Twenty Shillings*, for each able bodied Volunteer, he shall inlist into the said Service.

With the following Rates of Pay to the Non Commission Officers and Men. To Serjeants One Shilling and Eight Pence. To Corporals and Drummers, One Shilling and Six Pence; and to private Men, One Shilling and Three Pence, per Day each.

And to each Man; one Hat, a Coat, a Pair of Buckskin Breeches, two Shirts, two Pair of Stockings, two Pair of Shoes, and one Blanket.

And His Majesty is pleased to furnish all the Men so raised, with Arms, Ammunition and Tents, as well as to order Provisions to be issued to them, in the same Proportion and Manner as is done to the rest of the King's Forces.

And as a further Inducement to Men to inlist, I have thought fit,

by the Advice of His Majesty's Council, to declare, that all Persons who shall voluntarily engage in this Service, shall be intituled to a proportionable Share of the Lands to be granted for the Settlement of the upper Part of this Province.

I have therefore thought fit to notify the same by this Proclamation; earnestly inviting His Majesty's loyal and brave Subjects, chearfully to inlist, and promising to all those who shall inlist, in this Service, the Bounty and other Encouragements before mentioned.

An all Persons who deserted from the Forces in the Pay of this Province, during the last or any former Campaign, and shall come in, and inlist themselves in the Service aforesaid, on or before the first Day of *April* next, shall be intituled to a Pardon, and the like Encouragements as are given to other Volunteers.

And forasmuch as many Persons have Arms of their own, which from their being accustomed to, and being lighter than the *Tower* Arms, will, it is apprehended, be more agreeable to them; I do hereby make known, that His Excellency General AMHERST, as an Encouragement to the Men to come provided with their own serviceable Arms, hath engaged to pay for every one that shall be spoiled, or lost in actual Service, at the Rate of Twenty-five Shillings, Sterling, a Firelock.

GIVEN *under my Hand and Seal at Arms, at* Fort-George, *in the City of* New York, *the Seventh Day of* March 1759, *in the Thirty-second Year of the Reign of our Sovereign Lord* GEORGE *the Second, by the Grace of* GOD, *of* Great-Britain, France, *and* Ireland, *King, Defender of the Faith* &c.

JAMES DE LANCEY.

GW. BANYAR, Dep-Sec'ry.

By the Honourable CADWALLADER COLDEN, Esq; *His Majesty's Lieutenant Governor and Commander in Chief of the Province of* NEW-YORK, *and the Territories depending thereon in America.*

HAVING received Information that the Inlistment of Volunteers to serve in the Forces in the Pay of this Colony, has been greatly discouraged, from an Apprehension that they may be compelled to enter in the King's Regular Forces, and that such of them as are already or may be hereafter embarked, are to proceed on some Service from whence they will not speedily return: In order to remove such Prejudices, and the Obstruction that might arise thereby to the King's Service; You are to make known to the Volunteers already inlisted, and to all Persons whom you shall endeavour to inlist in the Pay of this Province, that His Excellency Sir JEFFERY AMHERST, Commander in Chief of His Majesty's Forces, hath assured me the Provincial Troops of this Colony shall not by any Means be compelled to inlist in the Regular Service. Those who embark, amounting to Five Hundred and Fifty Three, shall, as soon as the Service they are destin'd for is effected, which cannot be of long Duration, immediately return to *New-York:* That the Remainder of the Troops of this Province are ordered to *Albany*, and from thence to *Oswego*, where they will be employed as last Year, unless other Services shall call them from thence: And that when the Campaign is over they will of Course be sent back to their Homes.

You are also to notify, That the Troops who embark will receive an additional Bounty of forty Shillings alowed by the Province, as a farther Encouragement to induce them to go on that Service with Chearfulness and Alacrity.
